

BBTCA Ferry Vehicle Crossing Fees

As per the previous direction sent in January 2019, Billy Bishop Toronto City Airport (BBTCA) will continue with annual increases based on the rate of inflation each year.

As of **March 1, 2025**, the BBTCA fees will increase by **2.40%** and the new fees are below:

Vehicle Size	Cost (Including Taxes)
Small to Mid-Sized Vehicles (<5.5M)	\$202.00
Medium to Large Sized Vehicles for Trailer (<9.0M)	\$404.00
Large Sized Vehicle or Trailer (>9.0M)	\$606.00

All bookings are processed using an online Runway Crossing Reservation System and operators will no longer need to contact the City of Toronto Parks, Forestry and Recreation Department. Advanced bookings can be made directly through the online system however, a limited number of crossing will be available each day. <https://booking.stolport.com/BillyBishopBooking/>

Wait times for runway crossings can vary based on aircraft traffic. Please refer to the current BBTCA Runway Crossing Reservation Guide for further details. <https://stolport.com/runway-crossings/>

The following vehicles restrictions are in place:

- Regularly allowable Weight: up to 45 tonnes
 - Vehicles over 45 tonnes are to make special arrangements with the AOCC
 - Maximum weight: 60 tonnes

- Maximum Length: 23 meters
 - Non-conventional tractors-trailers are to make special arrangements with the AOCC.
 - Examples: Tractors with sleeper cabs, low-bed trailers, etc
 - The turn on to the ferry can be challenging for some types of vehicles and trailers. A site visit is highly recommended.

- Maximum Height: 4.2 meters

- **Airport Operations Communications Center, AOCC: (416) 203-6942 ext. 10**

The Fee includes:

- Return ferry trip
- Return runway crossing, to and from Hanlan's Point Park Gate with airport escort service

Any questions regarding these conditions of transport or fees can be directed to the **Airport Duty Manager at (416) 203-6942 ext 17.**
